SYRIA

Surgical Bags Project

With the Cooperation of TİKA (Turkish Cooperation and Development Agency) as part of its Health Spring operation, DWWT prepared 35 surgical bags and has sent them to Syria. They will be sent to. Each bag contains 73 items such as surgical tools, medicines and other small materials that can be used by 2 doctors to practice surgical operations in emergency and post emergency situations.

Whade Khaled/Lebanon Triage Center Project

Whadi Khaled is a region that is 700 Meters to 'Ground Zero' which is the entry point to the refugee camps, the region lacked a health center, injured refugees continually suffered and faced death till they walked 20 km to the closest Health Center in Mesrep Hassan.

Doctors Worldwide Turkey with the collaboration of IMA Lebanon took action to ease the pain of the refugees. A building was rented in Whadi Khalid to serve as a triage center and 2 ambulances were bought to transport the heavy wounded to hospitals. In March 2012 the triage center started to give 24/7 service with 4 paramedics, 2 Doctors and 2 Ambulances.

Triage Center is Equipped With;
