# FIMA & AFFILIATE IMAS ROHINGYA MEDICAL RELIEF UPDATE

The Rohingya crisis is happening or rather worsening and nothing much is being done about it. The fastest growing humanitarian and health crisis in the world needs our help to be fixed, says Dr Musa Nordin, past President of FIMA who volunteered to help the victims as a child specialist and disaster management expert while leaving from Cox's Bazar said with a heavy heart and tears in his eyes. Meanwhile FIMA-IMARET & CSBD mobile camps (FMT) are continuing with same motivation, zeal and zest. A number of new volunteers joined the initiative from FIMA affiliates from IMASA (Islamic Medical Association of South Africa) and currently a team of IMANA (Islamic Medical Association of North America) lead by Dr Ismail Mehr, the IMR Chair and past President of IMANA. Previously volunteers from IMAS Egypt, Lebanon, Singapore, Arab Medical Union & White Hearts Egypt performed the duties on rotation basis. From 24th December onwards teams from IMA North America, Pakistan IMA, Al-Khidmat Foundation Pakistan & Hayat Foundation Turkey will take the turn.
