

# نشرة الاتحاد العالمي للجمعيات الطبية الاسلامية

e-newsletter of Federation of Islamic Medical Associations

Volume 61, Issue December 2021

## MESSAGE FROM THE PRESIDENT

Dear Members of the FIMA Family,  
Esteemed Sisters and Brothers,  
Assalamu Alaikum

We are pleased to present you the December 2021 issue of FIMA e-newsletter.

We are still facing the most challenging time of our age, the "COVID 19 pandemic era." It has taken a huge toll of over five million human lives and affected tens of millions all over the world and brought the global economy to a deadly crash and misery, which is felt at all levels. FIMA in collaboration with its member IMAs

# 5<sup>TH</sup> INTERNATIONAL CONFERENCE ON PATIENT SAFETY 2022

## "Implementation Research in Healthcare Quality & Safety"

January 28 - 30, 2022

Liaquat National Hospital, Karachi

### Organizers

### Host

### Exclusive Partner

### In Collaboration With

### Patron

Mr. Hassan M. Khan

Chancellor, Riphah International University

### Chairman

Dr. Zakuddin Ahmed

Project Director, Riphah Institute of Healthcare Improvement & Safety

### Host

Dr. Salman Faridi

Medical Director, Liaquat National Hospital, Karachi

### Guests Of Honor

Dr. Faisal Sultan

Special Assistant To Prime Minister On Health

Dr. Palitha Mahipala

WHO Representative in Pakistan

Maj. Gen. Prof. Dr. Aamer Ikram

Executive Director, National Institutes of Health, Islamabad

Prof. Dr. Shahzad Khan

Vice Chancellor, Health Services Academy, Islamabad

## Salient Features:

- British Medical Journal (BMJ) Open Quality Riphah Pakistan Edition
- Journal of Healthcare Quality and Safety
- Regional Consortium of Patient Safety
- 3<sup>rd</sup> Patient Safety Research Awards
- 2<sup>nd</sup> Riphah Patient Safety Champion Awards

## International Speakers

Prof. Dr. Paul Barach

Chairman, Int. Advisory Board, RHIS Wayne State University, USA

Prof. Dr. Aziz Sheikh

Director, Usher Institute of Population Health Sciences & Informatics, University of Edinburgh, UK

Prof. Dr. Allen Meadors

Chancellor, Usher Institute of Population Health Sciences, University of North Carolina Pembroke, USA

Prof. Dr. Annegret Hannawa

Director, Center for the Advancement of Healthcare Quality & Patient Safety, Switzerland

Dr. Ashley McKimm

Director, Center for Partnership Development, BMJ, UK

Ms. Stephanie Mercado

CEO, National Association for Healthcare Quality (NAHQ), USA

Ms. Sultana Afzal

CEO, World Innovation Summit for Health (WISH), Qatar

Dr. Abdulelah Alhawswali

Ex. Director General Saudi Patient Safety Center, Saudi Arabia

Ms. Salma W. Jaouni

CEO, Health Care Accreditation Council, Jordan

Dr. Mondher Letalief

Regional Advisor, Health Systems Development PSQ, WHO

Prof. Dr. Seval Akgun

Chief Quality Officer, Baskent University Hospitals Network, Turkey

Dr. Samer Ellahham

Medical Director, Continuous Improvement Department, Cleveland Clinic, Abu Dhabi

Prof. Dr. Rashid Al Abri

Director, WHO Collaborating Center for Quality and Patient Safety, MoH, Oman

Prof. Dr. Shin Ushiro

Executive Board Member Japan Council for Quality Health Care JAPAN

Dr. Art Papier

Chief Executive Officer, VisualDx, USA

Dr. Sangeeta Dhani

Physician, NHS Lothian, UK

Dr. Nadine Haram

Founder & CEO, Proximie | Consultant Plastic Surgeon, UK

Dr. Usman Iqbal

Associate Editor, ISQUA Journal, Taipei Medical University, Taiwan

Dr. Nor'Aishah Abu Bakar

Head, Patient Safety Unit, Ministry of Health, Malaysia

Dr. Nadia Chealb

Chairwoman, Clingroup & Hope MCF, Lebanon

Dr. Azza Farouk

Director of Patient Safety, Ministry of Health, Sudan

# Adventure

at Jekyll Island, GA • July 22 to 28, 2022

[imana.org/convention-2022](http://imana.org/convention-2022)

- Ocean/Island view rooms • Tours • Activities •
- CME Credits • Annual Banquet • Ladies' Night •
- Childrens' programs • Halal meals •

Get ready for a new adventure at Jekyll Island with the IMANA Family! From enjoying the scenic beauty to partaking in adrenaline-rush activities, there's something for everyone to do.

IMANA's Annual Convention 2022 is taking place in Jekyll

Island, GA for a week-long escape to the coastal haven, enjoy the wide-open beaches, play golf on legendary landscape, bike through scenic pathways, experience sea turtle rehabilitation and many more outdoor adventures await you!

Not to forget... the Annual Convention is also your place to claim CME Credits.

Please read the terms & conditions, package prices and payment schedule thoroughly before registering.

**PLEASE BE A MOSQUE MASK CHAMPION THIS JUM'MAH AND EVERY JUM'MAH TO COME, TILL THE PANDEMIC IS GONE.**

As the new variant spreads, there is much that we don't know. However, hospitalisation is up in

South Africa and during the winter, even a small increase in hospitalisation can mean others cannot get the help they need.

Most people have given up wearing masks even in closed spaces like mosques, social events or meetings.

This Jummah and every Jummah, we need Mask champions to remind the people at Jummah that wearing masks & good ventilation saves lives.\*

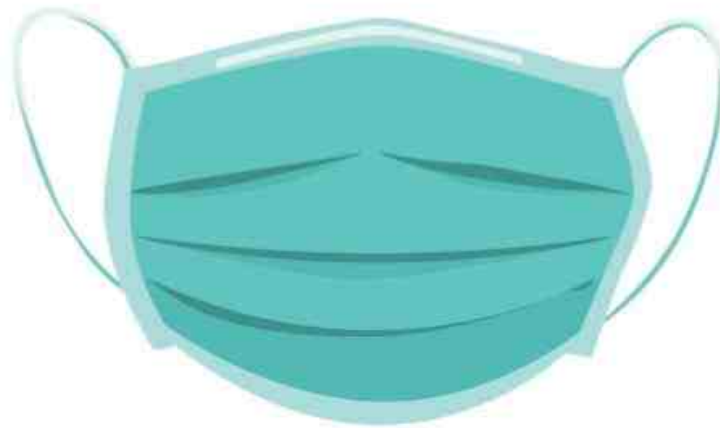

**Your Covid Response Group**  
covid@mcb.org.uk  
mcb.org.uk/coronavirus

A campaign by MCB and British Islamic Medical Association to encourage mask wearing in mosques to avoid the spread of newer deadly OMICRON variant.

# This Mosque

## Welcomes Mask Wearers

The Prophet صلى الله عليه وسلم said, "Do not harm, do not return harm."  
**Wearing a mask may reduce Covid spread by 50% & can help save lives.**

# NEW COVID-19 OMICRON & WINTER GUIDANCE FOR MOSQUES

Following the identification of the new, highly mutated, COVID-19 Omicron strain, and its detection in the UK and globally, select public health measures have been re-introduced.

The Muslim Council of Britain

(MCB) and British Islamic Medical Association (BIMA) have produced top-line guidance outlining key control measures that Mosques should consider taking in order to limit community spread. These guidelines may be adopted by other IMAs and

Islamic centres.

This advice is not limited to mosques but should be considered in all public settings inc events, social gatherings and beyond.

covid@mcb.org.uk\_  
mcb.org.uk/coronavirus

Guidance issued: 30/11/2021

## COVID-19 OMICRON & WINTER GUIDANCE MOSQUE CONTROL MEASURES

**The Prophet (PBUH) said: There is no wisdom equal to good planning (Mishkat). We pray that this planning, along with the unity we have seen across our communities, will be rewarded by Allah SWT allowing us to emerge from this crisis stronger than ever.**

### COMMUNITY ADVICE

- Use of hand sanitizer/washing when entering Mosque
- Wearing a face covering when inside
- Avoid hugging and shaking hands
- Pray at home if you are from a vulnerable group (i.e. elderly or have underlying health condition)
- Use own prayer mat in Mosque
- Be mindful of others in Mosque; they may prefer to socially distance
- Do not go to Mosque if unwell, showing any Flu-like symptoms

### MOSQUE MANAGEMENT ADVICE

- Maximise ventilation (e.g. open windows, open internal doors and HVAC)
- Schedule additional Jummah prayers, spreading out attendees over multiple Jamaats to reduce congestion
- Review to see if prayers can be held in larger halls (instead of smaller spaces)
- Manage capacity, reducing large numbers of people in any single space
- Frequent health and safety reminders for congregants (i.e. after prayers, Jummah and on social media)
- Have spare face masks and prayer mats available at entrance
- Continue enhanced cleaning of main touch points (e.g. door handles, hand rails and lift buttons)
- Provide disinfectant cleaning wipes for any shared equipment (e.g. microphones)
- Learn about the COVID-19 Omicron strain and keep congregants informed
- Highlight the benefits of being vaccinated to your communities

### BEING PROACTIVE CAN REDUCE RISK

Management are advised to consider control measures previously in place, and review to see if there is a need to re-introduce them for the protection of the public and staff. Existing risk assessment should be updated to reflect adopted control measures. This list is not exhaustive and additional measures may be required. All MCB issued COVID-19 guidance and resources can be found on below webpage. For any queries, email BIMA on email listed below.

PAKISTAN ISLAMIC MEDICAL ASSOCIATION (PIMA)

## *Congratulates* **DR. SHAYAN SHADMANI**

Consultant Eye surgeon, General secretary of POB Hospital Karachi, for achieving DOGANA Presidential Award 2021.

*Dr Kashif Ansari* received the award on his behalf during

DOGANA Annual Retreat 2021 in Las Vegas.

The Prevention of Blindness (POB) trust doctors have done thousands of free eye surgeries in Karachi over the last ten years.

The State of the Art hospital in Gulistan e Jauhar has now two satellite hospitals in Dhorajee and Hussainabad.

The spectrum of eye surgeries has increased including retinal, all free of cost.

The institute has recently started post graduate training in FCPS.

# WEBINAR ON LET'S TALK ABOUT ORGAN DONATION

A well attended webinar was held under the auspices of BIMA (British Islamic Medical Association), Royal college of physicians and blood and transplant division of NHS on the current status and barriers to organ donation in Britain. The current legal status of OD and the barriers to OD in the Muslim communities including medical and surgical aspects of OD and transplantation were discussed in depth.

A panel of esteemed speakers that are experts in their fields were amongst the faculty including:

Dr Dale Gardiner- National Clinical Lead for Organ Donation, Consultant Intensivist

Shaykh Dr Mansur Ali- Islamic Scholar and Lecturer of Islamic Studies at Cardiff University

Dr Shafi Malik- Trust Medical Lead for Transplantation, Consultant Transplant Nephrologist

Mr Chris Callaghan- National Clinical Lead Abdominal Organ Utilization, Consultant Transplant Surgeon

Mr Usman Khalid- Consultant Transplant Surgeon

Dr Saeed Ahmed- Consultant Interventional Nephrologist

Mr Abdul Hakeem- Consultant Hepatobiliary and Liver Transplant Surgeon (Leeds Liver Unit)

Mr Ahmed Al-Adhami- Cardiothoracic Surgery Registrar.

The details are available at BIMA website.

## FOUNDATION STONE-LAYING CEREMONY POB HOSPITAL, LAHORE

Foundation stone-laying ceremony of the Prevention of Blindness (POB) Eye Hospital Lahore - A project of Pakistan Islamic Medical Association - PIMA.

### REMAINING MESSAGE OF THE PRESIDENT

and partner organizations is continuing to offer maximum voluntary help in its own sphere of working. You will find lots of examples among the pages of our newsletter to show efforts of FIMA affiliates to combat COVID 19. This year Annual Scientific Conferences organized by IMAM, IHC and FIMA were dedicated to lessons learnt from pandemic and management strategies.

As a matter of fact, we learnt a number of lessons during this discourse, including witness ing the fragility of human life, its sanctity and witnessed shortage of resources and manpower at a number of occasions. It was a challenge for all of us to strive, thrive and let the others live at a heavy cost of our own endangered lives.

One of the challenges faced during COVID 19 era is about physical meetings. Unfortunately, The 38th FIMA Council Meeting is once again being held online this year from December 21st 2021, although the in-person meeting was supposed to be held in Jakarta hosted by Yarsi University and organized by Indonesian Islamic Medical Association, but it was cancelled due to ongoing pandemic crisis and travelling limitations for the delegates from various IMAs. However, traditional FIMA Scientific Meeting will be a hybrid meeting with main sessions to be held online/on zoom facility. We are looking forward to see you all in this big event, about which you will find detailed information inside the newsletter. On behalf of FIMA ExCo, I congratulate all my brothers and sisters in Indonesia who have contributed to the organization of this important meetings. My heartfelt thanks especially go to IIMA, YARSI University and the organizing committee of the Conference.

FIMA teams and individual IMAs are continuing their response efforts to the unending tragedy for humanity played out in all across the globe through relief

activities, seminars, webinars, campaigns, conferences etc. In the following pages of the newsletter, you will find examples of relief activities carried out by voluntary IMA teams in different parts of the world. IMANA, SOYDA, POB Trust, PIMA, IMAM, BIMA, IIMA and other IMAs and associates are making non-stop efforts to hold out a helping hand to the needy all around the world. We promise you this: As the FIMA Family, we will keep on walking down the road of benevolence, chanting “Charity begins with you!”, just like IMARET's motto.

As you know this year marks the 40th anniversary of FIMA and it will be commemorated during FIMA Council and Scientific Meetings. Besides there will be an election of new office bearers of FIMA at the end of Council Meeting. Therefore I will hand over this honorable task to the new president. I should mention that presiding FIMA for the last four years or so has been a lifelong honor and privilege for my humble self. I would like to convey my heartfelt thanks to all my colleagues, brothers, sisters, working partners, Exco members, IMAs and associates for their trust and assistance.

Writing my last “Message of the President” for our prestigious newsletter, I extend my warmest regards to all members of the FIMA family and would like to express my belief that as the largest umbrella organization of the Islamic world in the medical field, FIMA will become much stronger and see new horizons thanks to your support and efforts.

We seek forgiveness from Allah SWT and guidance for our future endeavors.

Walaikum Salam  
**Prof. Dr. M. Ihsan Karaman**  
President, FIMA
