His Excellency  
The Honourable Secretary  
Organization of Islamic Cooperation  
Jeddah, Kingdom of Saudi Arabia

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

The Federation of Islamic Medical Associations (FIMA) has pledged to establish a Field Hospital near Gaza which can be shifted to Gaza when permitted. This 50 bedded hospital will be operated by FIMA healthcare professionals (HCP) from different member countries including Turkiye, Malaysia, Pakistan, UK, US and others. A large number of highly expert HCP have already volunteered their services.

FIMA is in the process of negotiating with different vendors in Turkiye for this purpose. The one time cost of procurement, transport and installation is approximately USD 4 Million. FIMA plans to operate this field hospital for one year period and then to donate to either Gaza or Egypt.

FIMA is requesting OIC to facilitate the permission from the Egyptian Government for this humanitarian medical initiative. Additionally, we are requesting the Egyptian Government to facilitate the passage of the various medical teams with visas and other required documents.

FIMA is the largest body of Muslim HCP in OIC, the Islamic Advisory Group (IAG). FIMA is a not-for-profit organisation registered in US since December 1981 and have special consultative status to the United Nation ECOSOC since 2005..

FIMA has been actively involved in humanitarian and medical relief in Gaza, Palestine since 7 October 2023, through our dedicated relief associates who have been operating there since 2009.
