TIMA-FIMA Scientific Convention 2026

and the 43rd FIMA Council Meeting

Theme: Environmental Health for Sustainable Future

2 – 6 September 2026 | Prince of Songkla University, Hat Yai, Songkhla, Thailand

About the event

The TIMA-FIMA Scientific Convention 2026, held together with the 43rd FIMA Council Meeting, brought delegates from FIMA member associations around the world to Hat Yai, Thailand, from 2 to 6 September 2026. The event was organised by the Thai Islamic Medical Association (TIMA) and the Federation of Islamic Medical Associations (FIMA), in collaboration with the Faculty of Medicine and the Public Policy Institute of Prince of Songkla University (PSU).

Under the theme *Environmental Health for Sustainable Future*, the programme combined FIMA's annual governance meetings with scientific sessions on public and environmental health, clinical and nursing sciences, mental health, health education and promotion, and innovation for sustainable healthcare.
